NEW Re-Joined/Renewed On-Own Extended Membership X-yr

Compose/send Membership Renewal Reminder emails April-2019.

Status of Membership Renewal Reminder emails (mmm-yyyy) & 'Final Reminder' Emails (mmm-yyyy) unknown.

* Based on MoZ DB which reflects activity garnered via self-reporting direct emails and/or List-Serve, PayPal redirects. Unable to cross-reference w/ "current" FMP DB†.
† Last known modifications to FMP DB [v12 compatible] was 13-May-2017. In July '18, the database [hosted on remote server] was discovered to be inaccessible. Reportedly, this was after a 'current' version of FMP program had been acquired. Unknown if activity/accurate info shown hereon & reported/requested previously (2nd page this PDF) has been incorporated in the upgraded data file.

SBAUG - MoZ-MIGS List - † Annotations (22-Mar-2019)

OUTSTANDING (PREVIOUSLY REQUESTED) REVISIONS TO FMP DATABASE*

Some "to-dos" date back as far as September 2015. **NOTE: As of July 2018 FMP-database has gone 'off-line'.**

Status	Task-Description
Still Pending	- Susan Barre: Payment entered in member's "Payments Table" as 2/9/2015—should be changed to 9/2/2015. Leave Renewal Date as is.
Still Pending	- Peter M. Robertson – based on 'hit' via PayPal's redirect function to SBAUG's 'Welcome to SBAUG!' page on 31-August-2017 and self-reporting, member submitted renewal dues for two (2) years via PayPal. Reflect payment in Member's record accordingly in FMP database (revise renewal date two-years hence to 01-Sep-2019).
Still Pending	- Kathy Gleason: Member self-reported via direct email 11/20/2017 16:38, submitted dues to Re-Join presumably for one (1) year via PayPal. Reflect payment in Member's record accordingly in FMP database (revise renewal date to one-year hence to 20-Nov-2018).
Still Pending	Audrey von Bieberstein: Contacted Webmaster/Email List Moderator for technical support to process payment of <u>renewal</u> dues via PayPal with iOS device (iPad). Real-time phone support provided and payment successful 5/7/2018. Reflect payment in Member's record accordingly in FMP database (revise renewal date to one-year hence to 15-May-2019).
Still Pending	John Novak: Following eCommunications with SBAUG Website Admin, member re-joined via PayPal as evidenced by 'hit' to website's PayPal redirect 'Welcome To SBAUG' page. Reflect payment [presume 1-yr membership] in Member's record accordingly in FMP database and revise renewal date to 03-July-2019
Still Pending	Harold Fue: On 23-Oct-2018, this Member logged into SBAUG's website and clicked on a hyperlink to submit membership dues via PayPal. IF they successfully completed the payment process, then they opted NOT to return to SBAUG website (based on lack of 'hit' recorded 'Welcome To SBAUG' page). <u>SOP – 'SBAUG Treasurer' would have received notification via PayPal of payment received. As of this dated report - said confirmation of re-joining has not been forwarded to Website-MoZ management for update of online record.</u>

NEW REQUESTED REVISION(S) TO FMP DATABASE

- Kathy Gleason: Member self-reported via direct email on 22-Mar-2019 8:05 AM, that dues were submitted in Nov-2018 presumably via PayPal for one (1) year. Report verified payment to Website/MoZ Admin and revise Member's record accordingly in FMP database (revise renewal date to one-year hence to 20-Nov-2019).

UNVERIFIED MEMBERSHIP ACTIVITY

None observed.

* NOTE: The WP-based MoZ-MIGS database reflects all of the above.

During the May 2018 video conference – I explained, *and in so many words Ian L. verified*, that for quite sometime the membership database maintained within the org's WordPress (WP)-based website has been the most ACCURATE/UP-TO-DATE record of memberships since the MoZ went online (Sep-2014).¹ As such, I shared my opinion that there was no justifiable reason to maintain two (2) separate membership databases² especially when via the website-based database, Members can **independently** check their membership status/history and provide/submit comments directly to Website Admin(s) regarding their membership status.

Respectfully prepared/submitted - PMR

¹ See 'dated' footnote Page 1 of this PDF with measure(s) that will facilitate maintaining WP-MoZ DB status.

² As discussed during the May 2018 & December 2018 video conferences – the raw data within the FMP database was exported (preserved) for archival/historical purposes into a spreadsheet (**FMP not required**) AND for use in conjunction with MoZ database in a future 'membership-drive' mass email.
